"Romeo and Juliet"
If say true, I'm not keen on watching ^{any} some of plays, but sometime you can find "your" play, "your" history. Story that can teach you, show you what you can do in different situations. It's a great story. I have know one. My favorite play by William Shakespeare is "Romeo and Juliet".

In my opinion, It's really stunning story of two people who couldn't be together, but they ^{ere} was trying to find the way to be happy. Unfortunately, their end was really ~~bad~~ sad. Romeo and Juliet didn't give up. They're fighting ~~to~~ to the end. This play has got a lot of fascinating characters. If I could I would like to talk with Juliet. For me as a girl she's a good example of Bravery and strength of spirit. We must fight for our wishes and happy life.

Well, every school must train pupils as actors and of course choose good ^{for their} play. For my school I want recommend play "Romeo and Juliet" because It's more than story of love. It's story of really brave people who ^{ere} wasn't scared about Society opinion. It's really perfect ~~example~~ example for our minds.

To sut up, I've read a lot of books ^{where} ~~about love~~ were shown love. I reason that "Romeo and Juliet" is the most fascinating story that can ^{teach} ~~learn~~ you ~~to~~ don't give up and fight for your happiness.
